14. Report injuries or any unsafe condition in the cage immediately to Shane Patrick at 971-258-4254 or [shane.patrick@batzonellc.com](mailto:shane.patrick@batzonellc.com)
15. Use the digital keypad on the main cage area door to gain access to the facility. You'll receive a key code once you've registered and been approved for access. The code will be a 4-digit number that unlocks and locks the door. Use the same 4-digit number and hit the padlock key to lock it.

Note: If the door lock is not responding, you can try replacing the batteries in the door lock. There should be extra batteries in the fridge in the boardroom area. To replace the batteries, pull the sleeve off (pulls upward) the padlock from the inside of the door. Pull out the battery sleeve and replace the batteries. Make sure the sleeve is seated back in position and replace the sleeve. The door should now lock. If this still doesn't work contact Shane Patrick at 971-258-4254 or [shane.patrick@batzonellc.com](mailto:shane.patrick@batzonellc.com)
